

Baby Time! at the Library

Join us for a fun time in the library dedicated to the youngest members of our community!

What is Babytime?

Babytime is one day each month when the library is made available for your baby.

At Babytime your baby will be given toys specifically for it to explore and learn from.

Babytime aims to allow:

- Freedom of movement
- Time for un-interrupted play (for baby)
- An opportunity for parents to observe their baby playing
- An opportunity for parents to learn how to and enjoy giving their babies full attention

At Babytime we will ask you to do the following:

Remove your Baby/infants shoes & socks (don't worry even in winter the Children's Library is very warm)

Make sure s/he is wearing comfortable clothing (would you do pilates in your jeans?)

If your baby is a 'non-mover', lay s/he down flat on his/her back and then when you are ready move away a little to create a circle of adults/carers around the outside of the play space

Be prepared for a quiet time when we will listen to our Babies talk

Observe/Slow down

Babytime is on the last Friday of the month. Times when the Babytime space is set up: 9:30-11am & 1-2:30
